REMARKS

Applicant submitted on November 5, 2007 an Amendment which amended claims 1-14 to clarify the claimed subject matter. Accordingly claims 1-14 remain pending, with claims 1 and 10 being in independent form.

A Notice Of Non-Compliant Amendment dated February 7, 2008 was issued by the PTO.

The February 7, 2008 Notice indicated that the claim amendments submitted on November 5, 2007 did not include proper markings of the claim amendments (relative to the immediately prior version).

Accordingly, this communication is filed to resubmit a corrected listing of the claims, including markings of the claim amendments submitted on November 5, 2007, relative to the immediately prior version. No new claim amendments have been made in the listing of claims enclosed herewith.

If a petition for an extension of time is required to make this response timely, this paper should be considered to be such a petition. The Patent Office is hereby authorized to charge any fees that are required and to credit any overpayment to our Deposit Account No. 03-3125.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Respectfully submitted,
